EXPERIENCE

Personal Banker   **2019 to 2020**
Key Bank   **Seattle, WA**

Helped clients manage their money to balance risk and return while building a long term relationship to better address the specific financial needs of each individual account.
Recognized as number 1 in the company for Small Business growth for one quarter.

Referral Management Specialist   **2017 to 2019**
Virginia Mason Medical Center, WA   **Seattle, WA**

Managed schedules for multiple patients and doctors, ensuring that schedules are up to date and that patient appointments are entered correctly which required to be highly organized and provide excellent customer service. Detail oriented and focused on maintaining accurate information

Engineering Support Specialist   **2015 to 2017**
Cypherpath, WA   **Richland, WA**

Planned and executed projects, meetings and events while managing all daily office operations, prepared all new hires on-boarding documentation and worked closely with the HR department.
Ensured all duties were performed accurately and in a timely manner. Relied in experience and judgement to plan and accomplish goals with a wide level of creativity and latitude.

Front Office Assistant   **2014 to 2015**
Kadlec Clinic ,Richland, WA   **Richland, WA**

Greeted patients while setting a positive office atmosphere. Multitasked scheduling in person and over the phone, along with ensuring insurance and demographic information is correctly entered in the system. Redirected calls to appropriate departments and helped out with referral processing.

EDUCATION

Certificate in Full Stack Web Development: University of Washington Seattle,WA
